WHAT A RIDE! EGOV4YOUTH PROJECT IS AT ITS FINAL STAGE!

As EGOV4YOUTH moves toward its conclusion, our focus is on ensuring that the project's results continue to inspire and empower young people in the years ahead.

Through sustainability efforts, strong partnerships, and our final events, we are transforming project achievements into long-term opportunities for youth participation, innovation, and democratic engagement.

EGOV 4 YOUTH RESULTS

1

Research report

The research report explored youth participation, digital governance, and young people's access to public institutions across six countries.

2

Open Online Course

Based on the 6 modules already tested and validated, the MOOC will enable young recipients to access the training program free of charge at any time.

3

EGOV 4 YOUTH PLATFORM

interactive space where young people and public administrations can effectively collaborate on initiatives and projects for local community development.

4

Memorandums of Understanding

The aim is to create a lasting impact on local communities by improving access to education, civic participation, and digital innovation

E-Gov4YOUTH **MOOC** **Now Available!**

The E-Gov4YOUTH Open Online Course (MOOC) is now available as a free Open Educational Resource.

Built around six fully tested and validated modules, the course offers:

- Free access for all learners
- A flexible, self-paced learning experience
- Practical tools for civic engagement and digital participation
- Content for young people, professionals, public administration staff, and anyone interested in E-Governance

AUGUST 2026

Focus on impact and sustainability

During this final stage, project partners have been presenting the project's results to young people and local authorities through Transfer of Knowledge workshops and final dissemination activities. These efforts are complemented by the signing of Memorandums of Understanding with local authorities, strengthening long-term collaboration through the E-Gov4YOUTH Platform.
